Description

TEROSON® VR 120 is a cleaner which contains silicone oil, deodorisers and anti-static ingredients making it ideal for treatment and protection of all interior plastic parts inside motor vehicles. It's suitable for leather, wood, and most plastics, with treated parts getting a fresh, satin gloss. It has a special anti-odor effect and is dust- and dirt-repellent.

Avantages

Contains silicone oil, deodorisers and anti-static ingredients making it ideal for treatment and protection of all interior plastic parts in the car. Suitable for leather, wood, and most plastics, with treated parts getting a fresh, satin gloss. Special anti-odor effect.

Caractéristiques

Cleaner which contains silicone oil, deodorisers and anti-static ingredients making it ideal for treatment and protection of all interior plastic parts.
